OUR OFFER

- ◆ Work on an exciting product with a team of incredible professionals
- ◆ Competitive salary with achievement bonuses
- ◆ Flexible work schedule
- ◆ Additional paid leave
- ◆ Subsidized transportation
- ◆ Multisport card
- ◆ This is a remote position but if you are based in Sofia, Bulgaria, you can also work from the office if you wish.

WHO ARE WE

We are an innovative and fast-growing Bulgarian software company responsible for Stremio - a video streaming hub that aggregates video content from different sources. Launched 7 years ago, today Stremio has 15+ millions of users globally.

We love clever tech, and the entrepreneurial spirit is in our DNA since day one. Our team is young, eager and curious. We have a passion for learning and creating stuff that can be enjoyed by people all over the world.

HOW TO APPLY

If you like what you see, we will be happy to meet you! **Send us your CV and a link to your GitHub profile straight away: office@stremio.com.**

Only short-listed applicants will be contacted. Confidentiality of all applications is assured!
