WHO ARE WE

We are an innovative and fast-growing Bulgarian software company responsible for Stremio - a video streaming hub that aggregates video content from different sources. Launched 7 years ago, today Stremio has 15+ millions of users globally.

We love clever tech, and the entrepreneurial spirit is in our DNA since day one. Our team is young, eager and curious. We have a passion for learning and creating stuff that can be enjoyed by people all over the world.

HOW TO APPLY

If you like what you see, we will be happy to meet you! **Send us your CV and a link to your GitHub profile straight away: office@stremio.com**.

Only short-listed applicants will be contacted. Confidentiality of all applications is assured!
